Athlete Code of Conduct

We are proud of our athletes, our athletic program and the way in which our student athletes represent Great Neck North and the Great Neck community. Our students and our coaches work very hard to build competitive teams. The success of our teams is a collaborative effort, and all of us need to represent ourselves and our athletic community in a positive manner by behaving appropriately in school, at games and in the community as a whole, both during school and after school hours.

Athletic participation is a privilege that should not be taken lightly. All of our athletes are expected to behave in manner that positively impacts our school and our community.

Hazing is any intentional or reckless act directed against another for the purpose of initiation into, affiliating with or maintaining membership in any activity, organization or team. This includes acting responsibly “online” and not misusing the internet to negatively impact our school climate or anyone else including teammates or opponents from opposing schools.
