

PARKVILLE SCHOOL EARLY CHILDHOOD CENTER

Spread the word to families, friends, and neighbors... Parkville School is participating in the **BOX TOPS FOR EDUCATION** program again this year to earn money for our school! We need all the help we can get!

There are a number of ways to earn money for the school through the **BOX TOPS FOR EDUCATION** program:

- Simply clip the **BOX TOPS FOR EDUCATION** coupons off packages of hundreds of common items found in our homes (i.e. Kleenex tissues, Ziploc bags, and all varieties of Cheerios). Each box top is worth 10 cents to our school, and that adds up fast! To see the complete list of participating vendors, please visit the Box Tops website.

WWW.BOXTOPS4EDUCATION.COM

- Online shoppers can earn money for our school, too! Do your holiday shopping online by going to Box Tops for Education Marketplace and linking to dozens of quality online stores (i.e. Barnes & Noble, Gap, JC Penney, K-B Toys, Lillian Vernon, Lands End, Pottery Barn, Target, Wal-Mart and many more). Our school can earn up to 8% of each purchase – at no additional cost to you.
- By signing up for the **BOX TOPS FOR EDUCATION** online newsletter you will instantly earn 50 cents for our school, as well as receive coupons for some of the participating products. You may receive samples of products and you can also track the progress of our school in reaching our goal of \$500 for the school year.

Last year, we earned over \$360 for our school. This year, let's try to reach our goal of \$500. With your help, we can easily reach or surpass our goal and then set our goal even higher for next year.
