No exceptions.**

### **Course Information**

- This 16-session program includes 24 hours of classroom instruction, plus homework, and 24 hours of driving instruction, including observation, with each student spending 6 hours behind the wheel; additional driving practice, outside of class, is required.
- Changes in the New York State driving laws are effective as of February 22, 2010. Included in these laws is an increase in the number of supervised driving hours required before scheduling a road test: **50 hours, including 15 hours of driving after sunset.**

### **Application Procedure**

- Application must be completed and signed by a parent or guardian and must include payment and information requested. Incomplete applications will not be processed. Please return the completed application by mail to the above address, or by fax to the above fax number, as soon as possible. Registrations are accepted on a first-come, first-serve basis. **Phone registrations are not accepted.**

### **Tuition and Refund Policy**

- Tuition is \$545. On withdrawal before the start of the semester, a refund minus \$10 will be issued. After the start of the semester, there will be no refund unless you can be replaced. Financial assistance is available to students eligible for free or reduced lunch on file with the school district; all requests are confidential. A workbook is provided for use during the semester; if it is not returned upon course completion, there will be a charge of \$30.

### **Location**

- **All Summer Classes** are held at the Cumberland Adult Center, 30 Cumberland Avenue.

### **Attendance**

- **Attendance at all Driving Groups and Theory Classes is mandatory. According to State Law, any absence and/or lateness must be made up. If you abuse this requirement, you will be dropped from the program. Please be sure you can attend and be on time for all sessions before you register.**

## **Upon Completion**

- Students who successfully complete the requirements for this non-credit course will receive a Student Certificate of Completion (MV285), which includes an Insurance Premium Reduction certificate. The Certificate will be issued on the last day of the summer semester. The MV285 allows students to make a road test appointment.
- **Students and parents should note that, after receiving the MV285 and passing the road test, a 17-year-old is eligible for a senior license after holding permit status for at least 6 months; a 16-year-old is eligible for a junior license after holding permit status for at least 6 months. Students with a junior license cannot drive to school and cannot drive on their own without necessary certification from the DMV.**
- **Without completion of a state-approved Driver Education program, a senior license is not issued until age 18. Parents and students should familiarize themselves with the student driving laws of New York State, as well as with the Great Neck Public Schools Board of Education Policy 5454 Student Driving.**
