“Smart Choices, Kind Voices”

February 2012

Dear Students, Teachers and Parents,

Our gift to each class this month is the book, One of Those Days by Amy Krouse Rosenthal.

Have you ever had 'one of those days'? A day where nothing seems to go right and you feel frustrated or angry or lonely. Well, take heart, we all have those days! This book gently illustrates our bad days but reminds us that there is always a brand new day waiting for us in the morning.

Remember to come and visit the Book of the Month Blog at the Saddle Rock Library website at <http://srlibrary.weebly.com/index.html>. We would love to know what you think about the books of the month and would love to hear any recommendations for future books. What a wonderful way to share your feelings about books and authors!

Enjoy reading One of Those Days by Amy Krouse Rosenthal this month. It will make you remember... Everyone has one of those days!

Enjoy!

Sincerely,

Eric Nezowitz
