PROJECT 26

Young Adults and Little Citizens: making big change with small change in the lives of military veterans

Dear Parents,

Saddle Rock will be conducting a fundraiser to assist Long Island military veterans in need from February 6th until February 15th. Brick 26, a local nonprofit organization and Semper4Soldiers are raising money for Veterans in need of emotional, physical, and financial support. This fundraiser is designed to help children give back to those that served by setting reasonable goals in a struggling economy.

We are asking children to bring in 26 cents any time during the window of 2/6 and 2/15. The goal is to get as many children, classrooms, schools, and districts across Long Island to give the kind of small change they can find on their walk to school, in a couch cushion, or in the car console. We are not only raising money for a very worthy cause, but showing our children that their 26 cents can add up to a huge sum that can make a huge difference in the lives of many men and women who sacrificed so much for us. There will be a collection jar in the main lobby.

We ask that you support this endeavor at home by reminding your child to bring in their 26 cents so that they can feel the special joy of helping those in need.

Sincerely,

Eric Nezowitz
