**The grade will be an average of the following components:**

**Project Work:** Students will complete a minimum of one project per quarter. These will be graded on the basis of effort in design and execution.

**Design and Planning:** All projects will be accompanied by a design drawing or plan. These will be graded on effort and originality.

**Lab Regimen:** This includes equipment set-up procedures, lab maintenance and daily housekeeping.

**Classwork/Participation:** Students will use time efficiently and collaborate with peers on projects.

**Final Exam:** All students must take the final exam, which will be averaged into your quarter grades to compile your course grade.

**Attendance:** Regular attendance and punctuality are expected. Cutting is not permitted. Excessive illegal absence or any cutting will result in parental notification and will impact 50% of the grade.
