

Family ID Registration Required for Athletics

Dear North Middle Parents/Guardians,

I hope this message finds you and your families well. You are receiving this message as the first step in registering your student for North Middle Athletics, which includes setting up an account on our FamilyID online platform. If you already started an account last spring for your current 8th grade child please update your account. Moving from our old paper process to this electronic process has many benefits which include supporting current social distancing expectations. After reading through this message please navigate to the FamilyID site using the link below.

Please begin this registration process as soon as possible by completing the **Intent to Participate** Once completed you will be able to upload your child's physical exam (A Form). The physical exam must be dated between January 2020-December 2020.

On December 4th, 2020 you will receive a message requesting that you fill out an online B form (Interval Health History) for the Winter sports season which is scheduled to begin on January 4th, 2021. You will not be able to register for the Winter sports before this date. Please complete these steps by Friday, December 11th, 2020 to ensure that our school medical staff have adequate time to clear your child for the January 4th 2021 start date.

If you are unable to see your child's pediatrician please email our school nurse, Mrs. Lisa Farazmand by December 4th, 2020 to make an appointment for a physical with the school doctor.

8. Review your registration summary.
9. Click the blue *Submit* button. After selecting *Submit*, the registration will be complete. You will receive a completion email from FamilyID confirming your registration.

At any time, you may login at www.familyid.com to update your information and to check your registration(s).

To view a completed registration, select the **Registrations** tab in the blue menu bar at the top of your screen.

December 11th 2020 is the date that the submission window will be closed. No submissions will be accepted after the deadline.

SUPPORT:

- If you need assistance with registration, contact FamilyID at: support@familyid.com or 781-205-2800 x1.
- Support is available 7 days per week and messages will be returned promptly.

Some of the benefits of utilizing this system include but are not limited to:

Ease of Access of Emergency Information: Your child's emergency information, including allergies and emergency contacts, will now be one button away for any faculty or staff member who is responsible for them at an extracurricular function. This will ensure

that in case of an emergency, all relevant information can be accessed and shared in the most efficient manner possible.

Efficiency of the Registration Process: Once you create the profile for your son/daughter, fields such as date of birth, address, emergency contact, special instructions/considerations, etc. will be saved for you. You will not have to repeatedly fill out this information unless you need to make a change or add special instructions. Registration will now sometimes be as simple as checking off the program you are consenting to and providing your electronic signature.

Peace of Mind: In utilizing an online registration system, parents will have the ability to easily check what programs they have their child(ren) for. Forms will no longer be lost in transit. If there is a problem with your registration (i.e; expired medical clearance), you will be notified of that immediately and will be able to rectify the situation at your earliest convenience. Additionally, you will have the ability to update forms via scanning and uploading from your computers or through the camera on your mobile device.

Data Privacy: FamilyID is a service that Great Neck Public Schools has paid for but is FREE for parents to use. AS such, we now have the ability to limit your child's information to only the faculty and staff for whom it is necessary and only for the time period during which it is required.
