Fun for Fours

REGISTRATION FORM 2024-2025

Fun for Fours, an art and science-based enrichment program, provides children with opportunities to observe, explore, create, and discover the world around them. Carefully selected materials and thoughtful adult guidance will engage students in activities that foster inquiry, observation, experimentation, exploration, and creativity.

Fun for Fours provides our currently enrolled Universal Prekindergarten students the opportunity to extend their day either in the morning or afternoon.

Registration Fee: A \$100 non-refundable fee will secure your child's enrollment in the program and will be credited towards your total tuition amount due. Only checks or money orders will be accepted for the deposit mailed to the address below.

Deposits will ONLY be accepted after the Online Pre K Application is 'Approved and Posted' by the Registration Office. Seating may be limited.

50% of the total tuition (less the \$100 non-refundable fee) is due by March 4, 2024. The balance of unpaid tuition is due by May 1, 2024.

NO REFUNDS under any circumstances will be processed AFTER May 1, 2024.
