Guidance Office

September, 2021

Dear Parents of Juniors,

The PSAT will be administered on Saturday, October 16th here at North High School between the hours of 8:00 AM and approximately 12:00 PM. All juniors who are considering attending college upon graduation from high school are encouraged to take the Preliminary Scholastic Aptitude Test which serves as practice for the SAT and as a qualifier for National Merit Scholarship consideration.

Registration for this exam should be done electronically through the Parent Portal. The fee for the PSAT is **\$25.00** and payment can be made on-line via credit card or by providing checking account information. **Detailed instructions for making payments electronically can be found on the Great Neck North and Guidance homepages.**

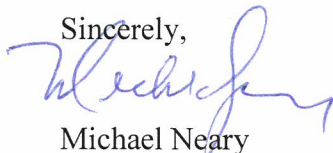

Please be aware that registration for the PSAT is a two-step process. A payment needs to be made online. Once a payment is submitted, you will need to print a receipt and bring it to Ms. Zehnder or Ms. Bertorelli in the Guidance Office. You will then be given a PSAT bulletin, which includes a practice test, and an admission ticket for the exam. This must be done by Tuesday, October 5th.

Those testing should report to North High on Saturday, October 16th by 7:30 AM.

Guidance counselors will be meeting with juniors during week of September 27th to give students information about the upcoming PSAT and to provide an overview of the college application process with particular emphasis on the role of standardized testing.

Should your child require special testing arrangements because of religious observance, please see Ms. Zehnder in the Guidance Office as soon as possible. A letter from a clergyman will need to be provided due to a limited number of tests being available for Wednesday, October 13th testing.

Sincerely,

Michael Neary
Director of Guidance

P.S. By this time, those approved by the College Board to take the PSAT with special testing accommodations should have received notification to that effect. Unless a student is approved by the College Board, the PSAT and SAT must be taken under regular testing conditions.
