

- The traffic pattern illustrated by the black colored arrows represent traffic flow from Lakeville Road to the drop-off point located near the West Gym and the return traffic flow to Lakeville Road.
 - Please note all students dropped off at this location will enter the building through the West Gym entrance.
- The traffic pattern illustrated by the blue colored arrows represent traffic flow from the LIE South Service Road to the main entrance and East Gym drop-off locations and the return traffic flow to the LIE South Service Road.
 - Please note all drivers dropping off students at this location must pull forward to the East Gym in order to drop off their students.
- All senior drivers (not illustrated on the map) must enter at the easternmost parking lot entrance off the LIE South Service Road (second parking gate).
