Dear South High Community,

Welcome to Spring! As we begin to further return to normalcy, let's continue to demonstrate courtesy and respect to all members of the South High community. Please remember our campus remains a closed campus. Students should not leave unless they are signed out by a parent or guardian.

The South High Opera will take place on Friday, April 8 and Saturday, April 9 in our auditorium (both begin at 7:30 p.m.). Please join us to enjoy the musical talents of our students under the direction of our performing arts department. All of those involved in the production of *Cosi Fan Tutte* have worked hard to provide this opportunity for our students to showcase their abilities.

Please be reminded that there will be no classes on Thursday, April 14 through Friday, April 22 for Spring Recess.

Please refer to our [South High Calendar](#) on the South High School website, under the Calendars tab, for more information about events going on at our school.

Bathroom Use

South High has created a second gender neutral bathroom for students. The location of this bathroom is in the hall outside of the boys locker room by the West Gym. To gain access to this bathroom you will need to use your student ID card on the exterior door. The interior door will have regular door hardware. This is a single occupancy bathroom.

Beginning on Monday, April 4, 2022 students will need to use their student ID card to activate the card reader that will unlock the door for student bathrooms. Please be sure to bring your student ID to school with you each day. Should you need a new ID card please contact Ms. Scheinberg.

Graduation

This year graduation will be returning to the Tilles Center on the Post Campus of Long Island University on Thursday, June 23 at 2:30 p.m. As graduation draws closer, we will be sharing more specific information related to graduation rehearsal, as well as cap, gown, and ticket distribution.

We are looking forward to an exciting end to the school year. As we continue to progress to a return to normalcy, many of the activities occurring at South High will take place in-person. We will be able to provide our students with the support and recognition they deserve. We look forward to sharing the talents and skills of our students at performances, concerts, and award ceremonies. As these activities approach, detailed information will be shared about spectator guidelines. As always, thank you for your continued support and guidance as we work together as a community to provide all of our students with the greatest opportunity for success.

Have a peaceful weekend,

Dr. Christopher Gitz
