

2020-2021 ATTENDANCE PROCEDURES

We recommend that you inform the Attendance office at Great Neck South High School about your child's absence, lateness or early dismissal by completing the Attendance survey that is available through your Parent Portal account.

Please submit attendance information as soon as you realize your child will be absent, late or need an early dismissal. Information received after 2:00 may not be reflected in the student's record on the same day. Click on the following links for the translated versions of the survey: [Chinese](#) – [Korean](#) – [Spanish](#). The translated versions can be found on the Great Neck South High School website under [Letters from the Principal](#). You can use the translated version to complete the online survey in English.

Students do not have access to this survey and we recommend that you do not share your log-in or password with your child. To access this survey log onto your district's Infinite Campus Parent Portal account and select the survey link in your inbox. You can use the survey as needed throughout the school year.

As a result of changes in building practices due to the COVID-19 pandemic, the following changes have been made to our attendance procedures:

1. No parents or guardians will be permitted into the building to pick up their child unless directed to do so by the school.
2. A parent or guardian, who is listed on your child's emergency card, must call the attendance office to arrange for early dismissal. Parents are directed to wait in their vehicle for their child. Their child will then be called out of class and asked to report to the attendance office to receive a pass. Your child will present the pass to the security guard before exiting the building.
3. If your child is late to school, he or she should "tap in" with their student ID card then go directly to class.
4. If your child is leaving and returning (for instance for a Dr. visit), he or she should sign in with the attendance office then go directly to class.
5. Students who drive to school need parent permission to leave school during the day and may not return during the school day once they have left. If a student with driving permission has to leave school and return, he or she must be picked up by a parent or guardian.
6. Students with parking privileges who are signed out of school early will only be permitted to take another student off campus with them with written consent from both parents.

If you have any questions or concerns, the Attendance office can be reached by phone at 516-441-4815.
