Dear South High Community,

Welcome to the final newsletter of the 2021-2022 school year! We are approaching the end of another successful year at Great Neck South High School. I would like to take this opportunity to thank our faculty, staff, students, parents, and community for their unwavering support during this school year and most certainly during the few tumultuous school years. Without the support of the stakeholders in the South High community our students would not have been able to harvest the fruits of their dedication to their academic and social-emotional success. I wish everyone a smooth end to the school year as well as a peaceful, restful, and replenishing summer vacation. Please read below for some upcoming events taking place at South High as the year comes to a close.
