We are looking forward to an exciting, successful, and normal school year. We are confident our students are continuing to create a high school experience that will give them many positive memories to look back on throughout their life. I thank our faculty, staff, parents, guardians, and community for all of the assistance, guidance, and support you have given South High throughout the school year. It is our community that continues to make South High great.

Have a peaceful weekend,

Dr. Christopher Gitz
