

Great Neck South High School – Morning Drop-Off Rules

- From 7:00 to 7:40 the front of the building is for bus drop off only.
- Student drop off must be before 7:00 a.m. or after 7:40 a.m.
- In order to ensure student safety and to ease traffic congestion, drop off will be spread between the main entrance and East Gym.
- Drivers must follow the directions of the guards. Anyone dropping off a student must pull up as close to the East Gym as possible. If you are instructed by the guards to proceed to the East Gym to drop off, please be sure to do so.
- Only drop off when in the right lane in front of the school. Students should only exit on the passenger side of the vehicle so they can safely step out onto the sidewalk. The left lane is only for cars that have already dropped off.
- Please do not drop off your child on the service road.
- After dropping your child off, you must continue to the far end of the mall (opposite the East Gym) in order to make the turn back towards Lakeville Road.
- Drivers should not drive through the lower lot to get back onto the service road. Go around the entire mall and enter the service road from the main service road gate. It would help a great deal if everyone would exit onto the service road rather than going back through the upper lot onto Lakeville.
- Teachers and students who park in the lower lot should enter the campus via the lower gate.

Great Neck South High School – Afternoon Pick-Up Procedures

Please understand that we have a number of buses picking up students at dismissal. The buses pick up in front of our building in waves.

The first group of buses park in front of the building and are ready to go at dismissal. The next group of buses wait in the upper lot as the second wave. Dismissal is a very busy time in our parking lot. We have a number of buses moving with limited space. There is no place to stop without blocking parked cars or making it difficult for buses to move. Also, students can be in dangerous situations attempting to get into cars. All of our buses are usually gone in about twelve minutes.

The front of the building is clear for student pick-up from 2:45 on. We implore you to wait until that time to pick up your child. As always, our goal is to provide a safe and secure school environment for our students.

Thank you for your cooperation.
