

WORKSHOPS FOR TEENS!

MAY
2021

Held live on Zoom! Register from the online events calendar to receive Zoom meeting link and an e-mail reminder.

**The New Rules
of College Admissions**
*presented by
Michael Binder*
MONDAY, MAY 10 at 7:00 pm

9th, 10th, and 11th grade students and parents will learn:

- Why college admissions has become significantly more competitive due to COVID
- The 6 KEY STEPS students should take NOW!
- How to select and differentiate yourself to your ideal colleges
- Test Optional, Test Flexible, Test Blind – What does this mean for you?

Michael Binder is the President and Founder of Your College Navigator.

How to Craft a College List
*presented by Dominique
Padurano, Ph.D.*
MONDAY, MAY 17 at 7:00 pm

High school students and their parents will learn how to use a variety of free online resources to come up with a college list that's realistic (academically and financially,) and concrete steps that they can take during each year of high school so that the application process itself can become a journey of self-discovery for adolescents on the threshold of adulthood. Dr. P. is the Founder and President of Crimson Coaching.

**Study Skills Workshop:
How to Make Up
for Lost Time
and Stay on Track**
MONDAY, MAY 24 at 7:00 pm

Middle and high school students will learn strategies from a C2 Education Specialist on how to catch up and finish the year strongly. Discover the science of learning - how we learn to develop the best study strategies; note-taking, formatting, and using online tools to help you; and develop a stress-free study plan.

Permission Not Needed: Women in STEM
WEDNESDAY, MAY 26
at 7:00 pm

Meeting ID: 991 4372 1577
Passcode: STEM

Join us for this panel session on Women in STEM. Women currently working in the field, as well as those who are trying to break into the field, will explain their path, the challenges they face, and the opportunities they've seized. **For teens and parents.** Registration welcome but not required.
