

Great Neck South High School PTO

April 13, 2020

Dear Alumni of Great Neck South High School,

We hope that you are doing well and that you and your family are staying healthy.

As you know, the spring is usually the time of year when many 11th graders visit colleges to decide where to apply and some 12th graders visit colleges in order to make final decisions about which college to attend next year. But, of course, this year is very different. Colleges are closed, students are learning from home, and there are no campus visits and tours.

The Parent-Teacher Organization (PTO) of Great Neck South High School, with the support of the Guidance Department and school administration, would like to help current GNSHS students learn more about different colleges and we're hoping that you can help.

We are reaching out to the classes of 2019, 2018, 2017 and 2016 to find students who are willing to either speak with or email/text with GNSHS students one-to-one about their college to help them make informed decisions. We're hoping that you can answer their questions about things that you can't find out from the college website. (You know better than we do about what those questions might be.)

If you are willing to talk to or email/text with GNSHS students who are interested in your college, please [click here to fill out a short survey](#). Once we have enough alumni participating, we'll reach out to GNSHS students with a different survey to ask what colleges they are interested in. With the responses from both surveys, we'll match up current students with alumni and will provide contact information. You can decide if you want to answer questions via phone, text or email.

If you have any questions, please reach out to the GNSHS PTO at info@gnschs-pto.org.

Thank you for participating!
