Don't Miss this!

Thursday, November 8, 2018

7:30pm – 9:00pm

South Middle School

Special Education administrators will give an informative presentation on Great Neck's special education services, class types, program modifications, accommodations and more!

This presentation will be followed by an Elementary, Middle School and High School Breakout session! Special Education administrators, department heads and staff as well as school psychologists and SEPTA delegates will be available to answer any questions and/or concerns.

This “roundtable” format will enable parents to interact with multiple staff members in an organized and meaningful way.

We want to know what YOU want to learn about!

We want to hear YOUR concerns!

Please email any questions in advance to:
