

2022 New Hyde Park North Little League Challengers Softball

The New Hyde Park North Little League is proud to offer our Challenger Softball Program for children with physical and mental challenges. This will be our 31st year offering this program. The program features experienced coaches, high school and college students who give individual instruction to your child. We have two teams, and depending on the child's age and ability they will be placed accordingly. In addition to the weekly practices we will try to play a few games with other Challenger softball programs, and also participate in the Annual Nassau County Challenger Softball Tournament.

We accept children with physical, mental and emotional disabilities, from mild to severe. The young team will have girls and boys ranging in ages from 5 to 19 years old. The adult team will accept players from 19 years old and up. The cost is \$70.00, which includes a team shirt, hat and trophy. We play at the Merillon Field complex located on Marcus Avenue between Lakeville Road and New Hyde Park Road on Friday nights, from 6:00pm to 7:30pm. We have two seasons: spring and fall. The spring season starts Friday, April 8th, and finishes Friday, June 24th. The fall season starts Friday, September 9th and finishes on Friday, October 21st.

You will be pleased with the enjoyment your child receives from learning a sport, making friends, and participating on a team. Everyone is invited. Please have your child bring a friend. If you have any questions, or need additional information, see the contact information below.
