OVER 85 YEARS OF EXCELLENCE

August 1, 2019

Dear Class of 2020:

Welcome to your senior year! We are all very excited about the upcoming school year and are looking forward to working with you to build upon your success and your overall academic, social, and emotional growth and making your senior year a memorable one.

The primary focus of my correspondence is to provide important information regarding your transcripts, which can be found on the Parent Portal under the *Campus Backpack* tab. The transcript includes student information, high school courses, grades, cumulative average (not including pass/fail courses), and total number credits earned in grades 8 through 11.

The transcript of your academic record through junior year and senior year courses in progress will be sent to prospective colleges. Included in this mailing will be the profile of the Great Neck community, educational philosophy, high school curriculum, and will provide guidance on the Board of Education policy regarding ranking and weighting of averages. A distribution of averages for you senior class, mean SAT scores, and National Merit winners is also included to demonstrate that you are graduating from a nationally ranked and prestigious high school; something to be very proud of!

It is important to note that your transcript, as it currently reads, is only representative of 75% of your high school career. Your mid-year and final grade reports will be provided to your colleges and will influence their acceptance decisions, despite having received a letter of acceptance.

If there are any discrepancies on your transcript or you have questions regarding the information contained therein, please contact your guidance counselor immediately. The counseling staff has worked tirelessly to ensure the accuracy of this information, and we are thankful for their commitment to this work.

The faculty and staff wish you the best for a fulfilling and successful senior year. If we can be of assistance to you, please do not hesitate to reach out.

Sincerely,

  
Dan Holtzman  
Principal
