January 11, 2023

Dear North High School Families,

We hope this letter finds you well. We are reaching out to share information about upcoming Midterm and Regents examinations taking place in the final week of January.

During the week of January 23rd, North High will be following a modified schedule to accommodate Midterm and Regents examinations. **Monday, 1/23 and Tuesday, 1/24 will be regular school days.**

Midterms will commence on Wednesday, 1/25 and continue through Friday, 1/27. During the three days of Midterm and Regents examinations, **students only need to come to the building for their scheduled Midterms or Regents exams.** The examination schedules are included in this correspondence and will also be posted on the North High School website. We will also provide a modified bus schedule to you in the next week.

We know that assessments can be stressful for our students and for many, this may be their first exam of this type. Though tests and assessments are an integral part of the educational experience, they are just one piece of the puzzle. They provide valuable information about what students have learned and help to identify areas where our students may need additional support. They also help teachers track progress and adjust their instruction to better meet the needs of their students. We encourage you to have open and honest conversations with your child about the importance of tests and the role they play in their education. Students should do their best and always reach out for help if they need it.

Please note that while the majority of our students are taking Midterms, there are a few students taking Regents examinations. If you have any questions about your child's Midterm or Regents examination that your child cannot answer, please reach out to your child's teacher for further clarification.

Sincerely,

Dan Holtzman

Dan Holtzman, Ed.D.
